We are so lucky that our pets are living longer than ever before! As dogs get older, they need extra care and attention. The Senior Wellness package is intended to detect problems in older dogs before they become life-threatening.

*\*This wellness package is limited to animals who are healthy and uninjured at the time of purchase. Valid for one year from purchase. No refunds*

# Senior Dog Package

## Senior Dog Package

Valid one year from date of purchase. No refunds.

### **Wellness Exam**

A 30-minute appointment with the vet to check for overall health and wellness.

### **Senior Profile 2 Bloodwork**

A bloodwork panel to identify any hidden health issues

### **Abdominal Ultrasound**

Allows the vet to look at your pet's vital organs.

### **Abdominal Radiograph Study**

An X-ray of your pet's abdomen to detect any abnormalities.

### **Thoracic Radiograph Study**

An X-ray of your pet's thoracic cavity to detect any abnormalities.

### **Blood Pressure Check**

A routine check of your pet's blood pressure.

### **Heartworm Test**

Diagnostic to check for the presence of heartworms.

### **Nail Trim**

Keeps your dog's nails clean!
